

Free study and homework help, online 24/7

Feeling overwhelmed, stuck on a study question or not sure where to even start with an assignment?

Your school supported by Edith Cowan University provides you with free access to Studiosity: online study help from real people.

1. **Connect Live:** select a subject (like writing, maths, science, economics, assignment research and more), type your question and you'll be connected with a friendly Subject Specialist for live, one-to-one help in real time. It's typed chat, interactive whiteboard and you can even share files.
2. **Writing Feedback:** submit your draft essay or written assignment, and in less than 24 hours one of the writing specialists will send it back to you with detailed feedback on how you can improve your own work. They'll comment on your spelling/grammar, structure, language and more.
3. **Practice Quizzes:** access a database of over 750 practice tests in all core curriculum subjects, including maths, English, chemistry, biology, and physics with year levels from 7-12. If you get stuck on a quiz question you can connect straight through to a Specialist.

To access Studiosity, log in to [Studiosity.com/connect](https://studiosity.com/connect), find your school and log in to your account.
