

COVID 19 Belridge SC - Parent Update

Thursday 28 May 2020

Dear Parents/Carers

I want to thank you again for your support throughout what has been a very unusual school Semester.

The COVID-19 pandemic is affecting our entire community and has presented us with extraordinary challenges in managing schooling during the first half of 2020. I am pleased that together, we have been able to make the best of this situation and ensure your child's safety and continuity of learning.

With the regular attendance of many students being lower over this time, the breadth and depth of the curriculum covered throughout Semester 1 may have been reduced. For this reason, schools are not required to include A to E grades on this year's Semester 1 student reports. It also means that your child's attendance may not be reported, and any written comments may provide less information on their progress than usual.

At a school level, our reporting structures will look as follows:

- Years 7-9 will contain no grades, however Attitude, Effort, Behaviour (ABE) attributes and a comment on progress will be included.
- Years 10 include grades, ABE and comments
- Years 11-12 includes grades, ABE and course descriptor

Schooling is once again returning to normal and our students are engaging in the regular curriculum, in their usual classroom environment. Semester 2 reports will reflect this and therefore provide the usual, more detailed information on your child's progress and achievement.

Thank you for your continued support and encouragement as we work together to provide the best learning opportunities for our students. As we progress, I'll be sure to keep you updated with any new information.

Kind regards
