PURPOSE OF THIS HANDBOOK

This information handbook has been compiled to assist students, parents, teachers and community members associated with the school. Further information can be obtained directly from the school or on the school [webpage](#). Parents are encouraged to be involved with school life and seek information regarding the educational progress of their child. Interviews or interim reports will be arranged on request.

Parents have an important role in assisting their students to be successful in school life. Ways in which they can help include:

- talking regularly to students about their work;
- ensuring students establish a homework and study timetable;
- maintaining contact with the school; and
- regularly checking school diaries

Parents are invited to volunteer for activities such as:

- canteen assistance;
- library work;
- working with individual students on specific education programs;
- accompanying students on camps; or
- involvement in planning committees.

The school purpose is stated in terms of the outcome it intends for its students. Academic outcomes alone are not sufficient. Students' cognitive, social and personal development must all be considered in establishing a purpose.

VISION STATEMENT

Belridge aims to develop a school community which encourages personal, social and environmental responsibilities. The school is committed to providing a caring and supportive environment that challenges students to achieve personal excellence in all endeavours and to be active citizens of the local and global community.

BEHAVIOUR MANAGEMENT

Belridge Secondary College has a Behaviour Management Plan ([BMP](#)) which ensures all students and staff enjoy a safe and pleasant working environment. The plan clearly outlines the responsibilities of the school, the students and how parents can help their students manage their behaviour. It is the responsibility of each student to be familiar with the plan.

SUMMARY OF STEPS IN BMP PLAN

CLASSROOM AND SCHOOL RULES

A Student Behaviour Report (SBR) will be generated for breaches in the BMP. The consequences will increase proportionate to the number of SBRs accrued.

SBR 1	Consequences such as detention/Teacher/HOLA
SBR 2	Further consequences such as detention/Teacher/HOLA
SBR 3	Parent(s) informed/Learning Area isolation/HOLA
SBR 4	Further Learning Area Isolation
SBR 5	At discretion of HOSS -Whole School Day withdrawal.
SBR 6	At discretion of HOSS-2-day Whole School withdrawal.
SBR 7	At discretion of HOSS-Suspension.

Further SBR slips → further suspension → case management by Executive Team, including Principal.

SUMMARY OF GOOD STANDING PLAN

Good Standing is a status which is held by all students. It is related to their **behaviour** and **attendance**. Whether or not a student retains this status depends on their attendance and the number of Student Behaviour Reports (**SBR**) received during each year.

SBR IN ALL YEARS

- GOOD STANDING is at risk if 4 SBRs are accrued.
- GOOD STANDING is withdrawn if 5 SBRs are accrued.
- GOOD STANDING is withdrawn if a student is suspended/or placed on withdrawal.
- GOOD STANDING is withdrawn if a student falls under 90% attendance without good cause.
- GOOD STANDING may be reinstated at the Principal's discretion or after a period of 5-10 weeks with no further negative behaviours recorded.
- Students who have their Good Standing withdrawn are excluded from extra-curricular and rewards activities i.e. Belsurf, Lightning Carnivals, Year 11 River Cruise or Year 12 School Ball.

The full [Good Standing Policy](#) can be found on the school website.

RULES FOR SCHOOL AND SCHOOL ORGANISED ACTIVITIES

1. Students must obey all instructions given by any staff member.
2. Students must respect the rights of others and their property.
3. Possession of a weapon, violence, vandalism, theft and harassment of any kind are not tolerated and may lead to suspension from the school and/or police intervention.
4. Smoking, being under the influence of alcohol or other drugs will not be tolerated. Bringing these items or associated implements to school, or school organised activities, may lead to suspension from the school and/or police intervention.
5. Apart from the end of the school day, students may not leave the school grounds without a pass obtained from Student Services.
6. Students may not enter a classroom without the permission of a teacher. Out of bounds areas must be respected.

12. Grounds and rooms must be kept free from litter and be kept in a tidy condition. Students are expected to take an active part in achieving this and may be asked to pick up litter.

CLASSROOM PLAN

Everyone has the right to:

- Learn without being interrupted.
- Be treated courteously and respectfully.
- Work in a clean, safe environment.
- Feel proud of this school.

ATTENDANCE

The Education Act requires that all students must attend school daily until the end of the year the student turns 17 and a half years or be involved in training or fulltime employment. A record of daily attendance must be kept by all teaching staff. This is a legal document and may be required to be produced in court.

The full [Attendance Policy](#) can be found on the school website

PUNCTUALITY

The Belridge Secondary College community believe it is important for students to be on time to class, as at the beginning of lessons vital information and instructions are given to maximise student learning. Students who are late to class disrupt the learning of others and place their own progress at risk.

Students must be at school by 8:40 am each day. They must also ensure that they are prompt to all classes. If students are late to school, a parent/guardian must explain any absence from school for any part of the school day as soon as possible, in a text, phone call, email, written note or via Connect app. (Late explanations must specify the date, time and reason for the absence). When students arrive at school, they must sign in at Student Reception where they may be given a "Late Note" to give to the class teacher.

Students who are repeatedly late to school without a valid reason will be given detention. Please refer to the school planner for full details. Failure to complete detention after being given a reminder may result in a suspension from school.

ABSENCE PROCEDURES

Absences for part of, all day, or for several days, must be covered by either a **written explanation, SMS, email or a phone call.**

ABSENCE CONTACT DETAILS

Please make a note of these contact details now!

SMS: 0400 209 241

Years 7, 8 & 9 - Middle School – Direct Absence Line: 9408 8033

Years 10, 11 & 12 – Senior School – Direct Absence Line: 9408 8034

... continued

These notes must be dated and specify the reasons for the absence/s. They should be brought to school by the student returning from a period of absence and handed in to the Form Teacher, Front Office or Student Services reception.

To help combat truancy, daily unexplained absences will generate an SMS to a designated parent mobile phone. Parents are strongly urged to contact the school before the commencement of lessons when they are aware their student/s will be absent.

Where a student is absent for a prolonged period of time, parents should contact the school as soon as possible. It is essential that parents keep the school informed of any changes to their contact details.

LEAVING THE SCHOOL GROUNDS

Students needing to leave the school grounds during the school day must report to the Student Services Reception, before school with a note of authorisation from their parent/guardian. The student will be provided with a 'Permission to Leave School Grounds' slip. This is presented to the class teacher at the appropriate time who will then arrange for the student to leave. Students should report to the Student Services Reception again to sign out prior to leaving the school grounds. Students must also sign in if returning to school.

Students are not permitted to leave the campus to go to the shops for any reason during school hours.

OUT OF CLASS MOVEMENT

If you need to move around the school grounds during lesson time, you must complete the "Out of Class Permission Form" in your Student Planner for the teacher to sign, and carry a pass provided by a teacher.

STUDENT PLANNER

Students are required to have their school planner with them **at all times**. Teachers will conduct regular checks to ensure students have their planner and are making use of it. Parents are encouraged to support their child and use this planner as a means of communication. Students without their school planners will be given a replacement sheet to use for the day. Repeat offenders will be given detention. Please refer to the school planner for full details. Failure to complete detention after being given a reminder may result in a suspension from school.

SCHOOL DRESS REQUIREMENTS

The Department of Education's Dress Code Policy has been endorsed by the School Board, parents, students and teachers. Wearing the uniform minimises the following aspects of school life:

- Pressure on parents to purchase more expensive clothing, such as popular designer labels;

- Identifying outsiders entering the school campus.

Students of government schools are required to conform to the dress code of their school. The school colours are: **navy blue, red** and **white**. The school dress has been designed to incorporate these colours.

LOWER SCHOOL CURRICULUM

The Lower School Curriculum provides students with the opportunity to study outcomes across all seven learning areas. The Western Australian Curriculum was implemented in 2016.

Learning areas are:

The Arts	Health & Physical Education
English/Humanities	Languages Other than English (LOTE)
Mathematics	Technology & Enterprise
Science	

Years 7 and 8 students do a 'taster' course involving all Learning Areas.

Years 9 and 10 students have a choice of at least three special interest courses.

Course Outlines, Programs and Assessment Structures (including assessment tasks and schemes of assessment) for each subject/unit will be provided by class teachers at the beginning of the course. Students and parents should ensure they are familiar with these:

SCHOOL ASSESSMENT PLAN

School assessment is an integral and extremely important part of the educational program at this school. It is the main tool used by teachers in measuring the achievement of students in particular courses and provides important feedback to students on their progress (their areas of strength and weaknesses). There are certain expectations of teachers regarding the setting and recording of assessments. It is important that all parents and students are aware of the following points relating to assessment of work in all subject areas/courses.

LOWER SCHOOL ASSESSMENT

To receive an assessment at the end of the year a student must:

- participate in a sufficient number and range of assessment evaluations to enable a fair assessment to be determined.
- cover enough of the course requirements (some of which may be non-assessable) to warrant the grade or outcome levels achieved.

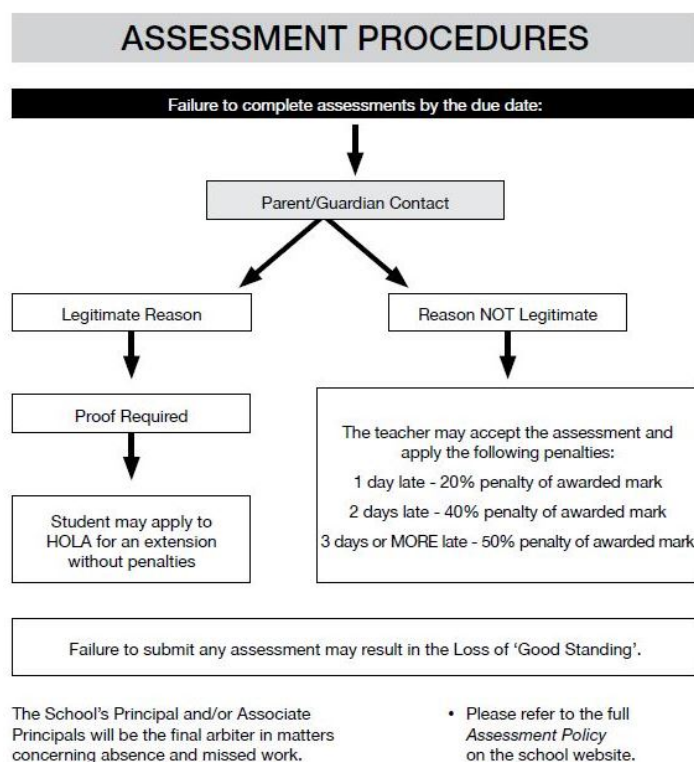

UPPER SCHOOL CURRICULUM

It is important that all parents and students are aware of the following points relating to assessment of work in all subject areas/courses:

1. Course Outlines, Programs and Assessment Structures (including assessment tasks and schemes of assessment) for each subject/unit will be provided by class teachers at the beginning of the course. Students and parents should ensure they are familiar with these. These will be posted on Connect.
2. To receive an assessment at the end of the year a student must:
 - a) participate in a sufficient number and range of assessment evaluations to enable a fair assessment to be determined; and
 - b) cover enough of the course requirements (some of which may be non-assessable) to warrant the grade or outcome levels achieved.
3. Grades awarded (A, B, C, D, E) will be based on demonstrated achievement of the stated learning outcomes. Specific criteria related to each grade/outcome level in each subject will be used to help determine the student's level of achievement.
4. Grades are awarded by schools in accordance with guidelines established by the School Curriculum and Standards Authority which provides a basis for comparability of grades/levels between schools. The grades that may be awarded and the interpretation of these grades are as follows:

GRADE INTERPRETATION

- A Very High Achievement
- B High Achievement
- C Satisfactory Achievement
- D Limited Achievement
- E Inadequate Achievement

SECONDARY GRADUATION AND WESTERN AUSTRALIAN CERTIFICATE OF EDUCATION (WACE)

The Western Australian Certificate of Education (WACE) will be issued to students who meet all the requirements for Secondary Graduation.

YEAR 12 STUDENTS 2022

To qualify for a WACE, a student must:

- Complete a Literacy and Numeracy Assessment to demonstrate a minimum standard based on skills regarded as essential for individuals to meet the demands of everyday life and work in a knowledge-based economy. This minimum standard may be achieved through Year 9 NAPLAN.
- **General Requirements – you must:**
 - Demonstrate a minimum standard of literacy (reading and writing) and a minimum standard of numeracy.
 - Complete
 - ✓ At least four Year 12 ATAR courses OR
 - ✓ At least five Year 12 General courses and/or ATAR course of equivalent OR
 - ✓ A Certificate II (or higher) VET qualification in combination with ATAR, General Courses.
- Complete two year 11 English units and a pair of Year 12 English units.
- Complete at least 20 units (or equivalents) including a minimum of 10 Year 12 units.
- **Breadth and Depth**

You must complete a minimum of 20 units, which may include unit equivalents attained through VET and/or endorsed programs. This requirement must include at least:

 - A minimum of ten Year 12 units, or the equivalent
 - Four units from an English course, post-Year 10, including at least one pair of Year 12 units from an English learning area course.
 - One pair of Year 12 units from each of List A (arts/languages/social sciences) and List B (mathematics/science/technology) subjects.
- **Achievement Standard**

You must achieve at least 14 C grades or higher (or equivalents) in Year 11 and 12 units, including at least six C grades (or equivalents) in Year 12 units.

Note: If students **do not** meet the literacy and numeracy standard by the time they exit secondary school, they can apply to the Authority to re-sit the assessment (OLNA).

All students (whether they have achieved the WACE or not) will receive a Western Australian Statement of Student Achievement - a record of all courses and/or programs completed.

ABSENCES AND ASSESSMENTS / TESTS

For a student to succeed in any subject at Belridge Secondary College they must satisfy the requirements of the school and the School Curriculum and Standards Authority.

1. Absence from school, either frequent or prolonged, can adversely affect a student's achievement and grades. Students must abide by Department of Education regulations i.e. they must attend regularly.
2. It is at all times the students' responsibility to ensure that they complete all work missed during absences, work experience/SWL, excursions and camps.
3. Parents and students who go on vacation before official school holidays must be aware that results will be affected if assessment items are missed. Parents are to inform the school and students are to approach teachers in advance about work to be completed. The school is not required to provide such work; however, reasonable requests are usually met.
4. A note or medical certificate from a parent satisfactorily explaining an absence will be required to substantiate absences affecting assessments.
5. A student, who misses receiving an assignment due to an absence, must see the teacher immediately on returning to school and arrange to do the work as soon as possible.
6. Students absent on the day an assignment is due must submit the work to the teacher immediately on return to school. This work will be accepted without penalty, if the absence is satisfactorily explained in a note or medical certificate from a parent or guardian.

ABSENCES AND EXAMINATIONS / TESTS

1. Students, who, without an acceptable reason, fail to attend examinations or tests, will receive an 'E' for that assessment component.
2. A medical certificate referring to the missed exam/test will be required to substantiate absence from an examination or test, unless special exemption arrangements have been approved by the Principal.
3. At the discretion of the Head of Learning Area, the student may sit for the exam/test at a later date, or the student's knowledge of the topic may be ascertained in another way.
4. Students must sit Semester Examinations during the school's specified exam period. Examinations will not be scheduled outside this period.

Extraordinary circumstances that prevent students from sitting exams in the scheduled period will be taken into consideration.

TRANSFERS AND ASSESSMENTS

When students have not attended this school for a whole year, i.e. they have transferred from another school or are new arrivals to WA, they will be given the opportunity to demonstrate achievement of course outcomes by:

- a) The use of data from assessments completed at previous school; or
- b) If previous data is not available, the teacher, in consultation with the Head of Learning Area, outlines strategies for estimating a ranking.

CHEATING AND ASSESSMENTS

Cheating, plagiarism, collusion and the like will result in automatic failure for that assessment task.

These people can help you!

With the exception of the Christmas Break, students may borrow over the holidays. Students are expected to behave in an orderly manner and work quietly in the Library at all times.

INFORMATION TECHNOLOGY USE

Information Technology (IT) involves the use of tools to access, transmit, manipulate, store and create information.

The school has many tools that can be used as part of this process, for example, pencils, books, cameras, televisions, paints, computers, the internet etc.

The following rules apply:

1. Priority is given to curriculum use of the resource before leisure use.
2. School IT must not be used to:
 - a) access, display or store pornographic or violent material;
 - b) download games from the internet;
 - c) divulge personal details of any kind that places anyone, including yourself, at risk;
 - d) copy another student's work for the purposes of submitting it as original.
3. School IT resources must not be used for UNLAWFUL purposes including:
 - a) harassing or being offensive to others;
 - b) breaking copyright laws;
 - c) examining, disclosing, altering or deleting another user's data without permission.
4. In communicating with others, appropriate language and accurate information must be used.
5. Report any unusual functioning of the resources (computer virus alert) to your teacher.
6. The playing of games on the computer is prohibited, including in the Library.
7. Individuals are not to divulge personal network password to each other, as each individual will be held responsible for any misuse that is linked to their personal logon.
8. Students are allocated printing and internet credits at the beginning of the year. Once these credits have been used, students must pay for further credits.
9. Students will need to read the acceptable use plan and sign the IT agreement before access to technologies will be granted.

NB: Failure to abide by these rules will result in the student losing access to IT resources.

Further action may be taken at the discretion of the Principal.

ARE YOU ELIGIBLE FOR SECONDARY ASSISTANCE?

GENERAL INFORMATION

The Western Australian Department of Education provides an allowance to assist eligible families with secondary schooling costs.

To be eligible for the allowance the parent/guardian must hold a current Centrelink or Veterans' Affairs card that represents a statement of income for the family.

The allowance consists of two components:

- \$115 Clothing Allowance paid directly to the parent/guardian or the school.
- \$235 Educational Program Allowance paid directly to the School.

Application is made by the parent or guardian for student/s enrolled in Years 7–12.

ELIGIBILITY CRITERIA

Parent or Guardian must hold one of the following cards:

- ✓ Centrelink Family Health Care Card
- ✓ Centrelink Pensioner Concession Card
- ✓ Veterans' Affairs Pensioner Concession Card

PLEASE NOTE: *The only Veterans' Affairs Card that meets the criteria is a blue card that is issued each year and expires in December each year. This card is income means tested.*

- Parent/Guardian must be the holder of a card that is valid some time during first term. The only exception to this is when a student holds their own health care card *and has been declared independent by Centrelink*. In this instance, a letter of confirmation from Centrelink needs to accompany the application.
- The allowance is paid up to and including the year the student turns 18 years of age, i.e. students born in 1997 are ineligible this year.

CARD DETAILS

Cards held must be current in Term 1 (on or after 31 January 2022).

APPLICATION FORMS

Application forms are to be completed in person at the school in Term 1 of each year.

Applications close Friday 8 April 2022.
