

# Talking With Your College 2025

As a parent or carer you play a vital role in your child's learning. Building a positive relationship between home and school plays an important part in the education of your child. Effective communication is the key to the success of this relationship.

Belridge SC is committed to responding promptly and helpfully to your enquiries, concerns, suggestions and compliments. Our school also provides information about support services for children with disability, intensive language classes, special programs, and its policies and procedures.

## Where do you start?

**Before contacting your school with an enquiry or concern you may want to:**

- talk with family and friends to clarify your enquiry/concern
- write down your enquiry/concern
- make a list of all relevant information specific to your enquiry/concern
- take a support person with you if you feel nervous about talking about your enquiry/concern.

The next step is to make an appointment with the most appropriate person at your school. In our school the following staff are available to address concerns:

### 1. **Classroom Teacher:**

Discuss your enquiry or concern with the class teacher if it is about your child's:

- Academic progress
- General behaviour
- Homework
- Assessment
- Attendance
- Social or emotional wellbeing.

**In your discussion with the teacher:**

- Give all relevant information
- Discuss all possible outcomes for addressing your enquiry/concern
- Settle on an option that can be achieved with input from you, the teacher and your child.

### 2. **Head of Learning Area (HOLA):**

The HOLA is responsible for managing the Learning Areas. If you need clarification after talking with your student's teacher, the HOLA is a great place to start in all areas covering the curriculum/subject area.

### 3. **2IC Student Services**

Manta Rays - [Mr Brent Jarvis-Spinks](#)  
Marlins - [Ms Tarryn Hunt](#)

2IC's support Heads of Student Services and are responsible for knowing all students in their House group. If there are issues with students across learning areas, contact the relevant 2IC for your child's house group.

### 4. **Heads of Student Services (HOSS)**

Sharks - [Chadd Richardson](#)  
Manta Rays - [Heather Currie](#)  
Marlins – [Benjamin Dawkins](#)

HOSS's have a pastoral responsibility for delivery of whole school programs and days to support positive health and wellbeing e.g. Harmony Day, Reconciliation Week, Cyber Safety etc. They support the management of behaviour once it has escalated from the HOLA. They lead the teams that develop Individual Behaviour Plans and Risk Management Plans. They have an emphasis on students at education risk, and liaise with staff, families and outside agencies to support individual students. The HOSS oversees attendance data and case manages students with 60% or less attendance. The HOSS coordinates withdrawals and suspensions

### 5. **Discuss your enquiry or concern with the Deputy Principal if:**

- You were not able to achieve a satisfactory arrangement regarding your enquiry/concern with the HOLA or HOSS.
- Your enquiry/concern is about another aspect of school life that is impacting on your child's education.

### 6. **Contact the Principal if:**

- Your enquiry/concern is about the conduct of a teacher or another member of the school staff.
- The Principal will need time to discuss your enquiry/concern with all relevant parties, but you can contact the school for progress updates. Alternatively, you can write to the school. Enquiries/concerns received in writing are responded to in writing.

Connect is available to all parents to access a secure, easy to use tool to communicate with teachers.

In addition, Connect is used by staff to send out results of assessment, notify parents of current tasks, access your child's schoolwork and download reports.

To enable you to use Connect, all we need is a current email address. **The Department of Education will email new passwords for parents to access Connect as Term 1 progresses.** If you would like to have access to Connect, please contact the school on 9408 8000.
