GUIDED PARENT TOURS (MORNING), STUDENT COURSE TASTER MORNING, TWILIGHT TOURS AND ENROLMENT INFORMATION NIGHT

**WEDNESDAY 26 MARCH 2025 – BOOKINGS ESSENTIAL**

At Belridge Secondary College, our clear focus on “Every student, Every classroom, Every day” ensures students are supported in the best possible way to reach their full potential. Our strong culture of respect and wrap-around pastoral model, provides a multi-layered approach to student care, ensuring students can develop as **learners in a safe, supportive environment**.

The development of our Teaching & Learning framework and engagement with the Berry Street Education Model, ensure consistency of best practice across the College underpinning our focus **on Teaching and Learning Excellence**. High academic standards enable the College to have a high graduation rate, with those students’ seeking placements into university and/or TAFE being successful.

With a commitment to **preparing our students for the future**, the College offers a broad and contemporary curriculum focused on the development of **future-ready skills**. As a College, we continue to develop our learning environment to ensure our students have access to the best possible tools and resources required to meet the challenges of the future world.

With two intensively resourced Department of Education Approved Specialist Programs, the **Cricket Academy** and **Fashion Design Program**, students are best placed to develop their skills at the highest possible level to maximise their potential and future success. Students from across the state can apply to join these two prestigious programs. The College also has a range of award-winning school-based programs such as our Specialist Programs in **Netball, Music and Dance**.

Our **Year 7-9 Academic Enrichment Program (AEP) for Gifted and Talented students**, provides the platform to develop the knowledge, skills and core competencies required for the careers of the future. With two streams available – **STEM and Humanities** – students are able to excel in these fields whilst working along likeminded individuals through a range of curricular and extra-curricular projects. With a focus on the development of high order skills such as problem solving, critical thinking, creativity, communication, collaboration and entrepreneurship, students will develop personal attributes and employable skills putting them at the **forefront of our future workforce**.

At Belridge Secondary College, we pride ourselves on our ability to form **strong relationships with our families and the community**, setting the foundations that support and nurture our young people.

To request an enrolment pack, call (08) 9408 8000 or email [belridge.sc@education.wa.edu.au](mailto:belridge.sc@education.wa.edu.au) providing your mailing address, mobile number, your child’s name, school year and current primary school. Alternatively, enrolment packs will be distributed to our partner primary schools towards the end of Term 1, which can be collected from their front office.

We look forward to welcoming your child to Belridge Secondary College in the near future.

# CRICKET

## DEPARTMENT AND WACA ENDORSED SPECIALIST PROGRAM

The Specialist Cricket Program at Belridge Secondary College develops young cricketers and provides them with high level skill development, specialist coaching, mentoring and game play in a professional environment. The program is built on supporting students to maximise their potential as an individual and as a team member. Both boys and girls are encouraged to apply.

Our program is fully endorsed by the Department of Education and the Western Australian Cricket Association (WACA). The WACA partnership provides us with access to specialist facilities, players, coaches and high level competitions. Our own staff are highly qualified professionals, who have extensive experience as coaches and players. Along with their Level 3 High Performance Cricket Australia Coaching accreditation, they bring a love of cricket and a commitment to excellence. The success of our program can be seen in the number of state and national representatives that have graduated from our program.

Entry into the program is highly competitive, attracting students from across the state. As such, a stringent selection process is in place and includes trial days and support from the prospective applicant's local cricket club. We welcome applications from male and female students.

Throughout our program we have the theme of Cricket, Community and Culture. International and interstate trips are a component of the program in the senior years and our students contribute to our local community from Year 7. Cricket program students

# FASHION DESIGN

## DEPARTMENT ENDORSED SPECIALIST PROGRAM

### CREATIVE INTELLIGENCE IS FUTURE INTELLIGENCE

Embark on an exciting voyage of self-expression and innovation with our acclaimed Fashion Design program.

Designed to nurture creativity in young minds, our program empowers students to explore and develop their unique style of fashion creation in our very own fashion and design studio here on campus.

From fabric manipulation to fashion illustration, our expert mentors guide students through every step of the design process, whilst encouraging innovation and creative problem solving. As students hone their skills in pattern making, styling, and garment construction, they cultivate essential qualities in initiative, discipline, resourcefulness, and self-confidence.

Through dynamic industry partnerships, students gain real-world experience, participate in prestigious competitions, and develop their own distinctive fashion identity.

Our program places a strong emphasis on global sustainability and ethical design practices, ensuring that students contribute positively to the fashion industry while pursuing their passions. Throughout the design process, students have the freedom to

explore both historical and contemporary fashion design elements and use their research to creatively modify and adapt their design in the creation of their own individual pieces. Student work will be showcased in live runway shows, competitions and art exhibitions.

We hope to see you become part of the Belridge Secondary College's Fashion Design Team, where imagination knows no bounds, creativity flourishes, and every stitch tells a story.

## SCHOOL BASED PROGRAMS

# ACADEMIC ENRICHMENT PROGRAM

### STEM AND HUMANITIES FOR GIFTED & TALENTED

Fostering student's individual strengths is what we do well and, for those students who are gifted academically, our Academic Enrichment Program (AEP) supports them to flourish. The AEP motto is "providing opportunity, embracing curiosity" and this is exactly what students selected for the program are able to experience.

The AEP students are supported and challenged through high level problem solving and a curriculum suited and catered to their needs. As a distinct class they have access to teachers with specialist training in gifted students and who have a deep understanding of student learning styles. The AEP program has a focus on the skills and attributes of 21st Century learners, as well as important content knowledge. These skills include creative and critical thinking, entrepreneurship, innovation and communication.

Learning experiences in the AEP program extend well beyond the classroom walls and include:

- University immersion activities
- Guest speakers
- Industry partnerships and experiences
- Competitions across the learning areas
- Specialist tutoring
- Incursions, excursions and enrichment activities

A range of academic information and testing is used to determine student's suitability for the program. This includes student's capacity to learn and commitment to the program, in addition to course grades.

The program is overseen by a dedicated coordinator who is a successful classroom teacher and brings extensive experience in working with gifted students to the role. The coordinator works closely with families and students to ensure every opportunity for success is available, and clear and open communication exists between BSC and home.

The Academic Enrichment Program could be right for you if you have a strong commitment to learning, a determination to achieve your full academic potential, and personal pride in your work.

# SPECIALIST NETBALL

## ENDORSED NETBALL WA TIER 1 SPECIALIST SCHOOL

Our school has built a reputation for excellence with its academic and specialist programs, and the Elite Netball Program has been supporting students to be their best since 2013.

The Academy continues to go from strength to strength as a Netball WA Tier 1 endorsed school, and is now a comprehensive program running from Year 7-12. Senior school students have the opportunity to complete a nationally recognised Certificate III in Sport, Aquatics and Recreation, with BSC being one of only a few schools being granted approval to deliver this qualification level.

Throughout the week, students will work on skill development, game tactics and strategies, biomechanics, sports psychology and fitness. Our holistic program also has a strong focus on team work, collaboration and personal health and wellbeing.

Netball students are leaders within our school, and develop leadership skills through coaching, mentoring and umpiring.

Entry into our program is highly competitive. Boys and girls are encouraged to apply. If you would like to be considered for our academy and be immersed in a program that provides you with top level coaching, personal development and game play opportunities, then we encourage you to express an interest today.

## ELITE MUSIC

Music is a force that enriches the lives of many people. If you wish to experience a deeper appreciation for the wonder of music and engage authentically in its creation, then our Elite Music Program is for you. Students in this course will:

- Study the language of music and use it to compose their own pieces.
- Actively listen to music in wide range of styles to understand how to craft your desired sound.
- Receive practice time to develop instrumental skills on guitar, keyboard or their own tuition instrument. Pursuing your own instrumental goals and experience authentic performance opportunities in solo and group contexts.
- Become a beginner instrumental student with free small group/individual instrumental tuition through IMSS (Year 7 only).
- Engage with a variety of I.T. tools. Compositional, mixing and arranging technologies are used in each field of study to enhance the experiences and outcomes.
- Develop vital life skills including creative thinking, collaboration, confidence, and diligence – all transferable to success across all curriculum pathways and life outside of school.

In partnership with Instrumental Music School Services (IMSS), students will have access to a range of specialist instrumental teachers/ensemble groups. Students also have opportunities to perform at events and concerts within the school and wider community.

Entry into this Program is through a competitive selection process. For enquiries about the Music Program or to find out about how your musical and personal talent can be nurtured, please contact the school contact details below.

## ELITE DANCE

Belridge Secondary College is proud to offer dedicated dancers an elite level of training within the public education system. The Elite Dance Program creates an environment that fosters the talents of our young people whilst expanding skills and confidence across a range of genres.

Rehearsing in our new state-of-the-art Performing Arts Centre, dancers train in several dance styles including jazz, hip-hop, lyrical, contemporary, classical ballet technique, and choreography. They will also explore different training approaches in the areas of anatomy and biomechanics of movement, stage production and injury prevention and rehabilitation.

Led by experienced and dedicated staff, the program is designed to challenge dancers through performances, annual showcases, and competitions. As students' progress, learn foundational skills related to theatre production such as sound editing, lighting design, marketing, and ticket sales. This program compliments curriculum delivery in Years 7-10 and provides a pathway into Senior School options or full-time dance study.

Elite dancers represent our College at concerts, competitions, and other community performances. Opportunities include excursions to view professional performances by world renowned dance companies and a range of guest artists to deliver classes, workshops and/or masterclasses for our young dancers.

Previous experience or training is desirable, but not essential, however a passion for the arts, movement and performance is fundamental.

Entry into this Program is through a competitive audition process. Please complete and submit the Expression of Interest Form by date listed below.
