Section A: Written Component

1. Why would you like to study Fashion and Design at Belridge Secondary College?

2. Describe any experience you have with sewing and craft.

3. List any interests and hobbies you have.

4. Describe any leadership roles you have taken on in primary school or in the community.

5. How do you think being in the Fashion specialist program will benefit you in the future?

Section B: Clothing Design

This section is your chance to show your creativity and design ideas.

You will find a croquis outline at the back of this application package to use as a guide. Place an A4 sheet of paper over the croquis and lightly trace the figure using pencil. You will then draw your clothing design onto the figure.

Once your design is complete, add colour using any materials you like. This could include coloured pencils, textas, paint, fabric pieces, or mixed media.

You must create **an original design for each of the following categories:**

Street Wear

Clothing suitable for everyday wear, such as outfits you would wear when meeting family or friends.

Evening Wear

Clothing suitable for special occasions, such as cocktail events, formal occasions, balls, or bridal wear.

Fantasy

A creative and imaginative design inspired by themes such as science fiction or mythical creatures.

Write a short paragraph explaining your inspiration for this design (no more than five lines).

Important:

All designs must be your own original ideas. Designs must not be copied from books, movies, television, or the internet.

Section C: Creative Project Example

This section allows you to share an example of your creativity and practical making skills. In the space provided, attach photographs of an item you have created.

This may be any project you have made independently and are proud of. Examples may include sewing, craft, cake decorating, jewellery, or an artwork.

Once you have attached your photos, respond to the questions below to explain your project and making process:

Project photos

1. Describe your project.

What did you make?

2. Materials used.

List the materials and resources you used to create your project.

3. Challenges.

What was the most challenging part of the making process, and why? How did you overcome it?

4. Reflection.

What do you like most about your project?
