Declaration of candidate:

I nominate myself as a candidate and, if elected, will accept the responsibility of being a parent representative.

I understand that if my nomination is successful, I will be required to undertake a Nationally Coordinated Criminal History Check through the Screening Unit before I can commence in this role (Note: The fee of this is paid for by the Screening Unit for parents and community members). All communications for Screening are direct with the applicant. Any matters that arise will be managed strictly between the Screening Unit and the school will not be informed.

Application of a Working with Children Check will only be necessary if you intend to attend school functions during school hours which involve students and/or working with students.
