

Help Sheet – How to login into SSO

Please follow these steps carefully before phoning Administration requesting help.

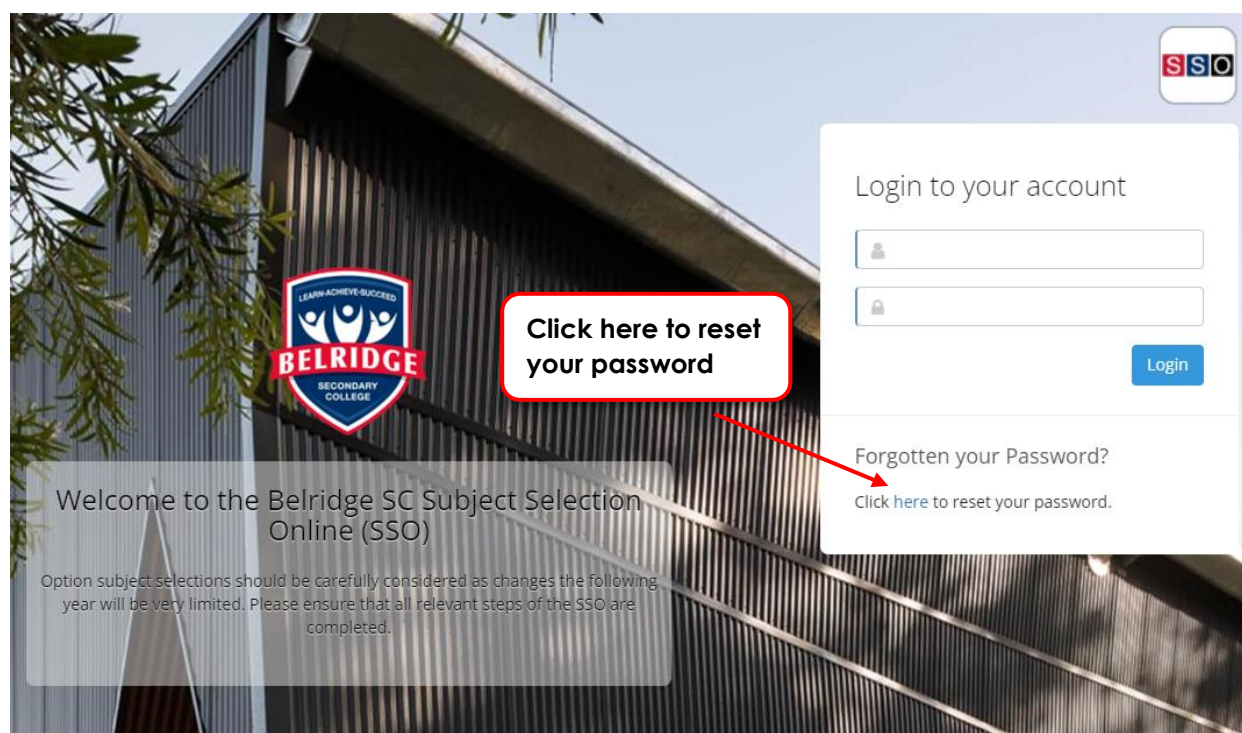

1. Go to the SSO login page:

<https://client.subjectselectiononline.com.au/?school=rqqq2>

You can also locate the SSO login via the Belridge SC website – selecting Curriculum / Course Selection Booklets Year 9 to 12 and clicking on the SSO link.

Follow the prompt to **RESET** your password.

2. When prompted you need to enter the PG1 (Parent/Guardian 1) email address linked to your student's information and click Submit.

Enter your email (PG1) to request a password reset

Forgotten your Password?

Enter your e-mail address below to reset your password.

[Back](#) [Submit](#)

Please note at that at this stage if you have multiple children at the College, you will be asked to confirm which child you wish to reset the PIN for. Click on the relevant child and click Submit (see example below).

Forgotten your Password?

Enter your e-mail address below to reset your password.

We have noticed that there are multiple students with the same email address ([myemail@gmail.com](#)) for SSO. Below are the students that are linked to this email address. Please click the button for the appropriate student, to reset the required PIN.

Login: **12TestATAR**

12 ATAR Test

[Click here to reset PIN for this Student](#)

Login: **12Test**

12 Test Non ATAR

[Click here to reset PIN for this Student](#)

[Back](#)

[Submit](#)

3. An email will be sent to the email address that was entered, if it has been entered correctly. Allow a few minutes for this to arrive and check your junk folder if you cannot find it. The email will contain a login code (a 4-digit number – see below example), please make a note of this as you will use it to login into SSO allowing you to set your own password.

Belridge Secondary College

Hi Test

We've received your request for password reset.

Your login code is: 0000

Click the link below to reset your password

Login and reset password

This is your student's name

This is your login code – note that is it NOT your email address

Now login to reset your password taking note of your login code above

4. Click on Login and reset password.
5. You will now be prompted (see below) to set your new password. Type in your password twice and click Change Password.

Home > Change Password

STUDENT CHANGE PASSWORD

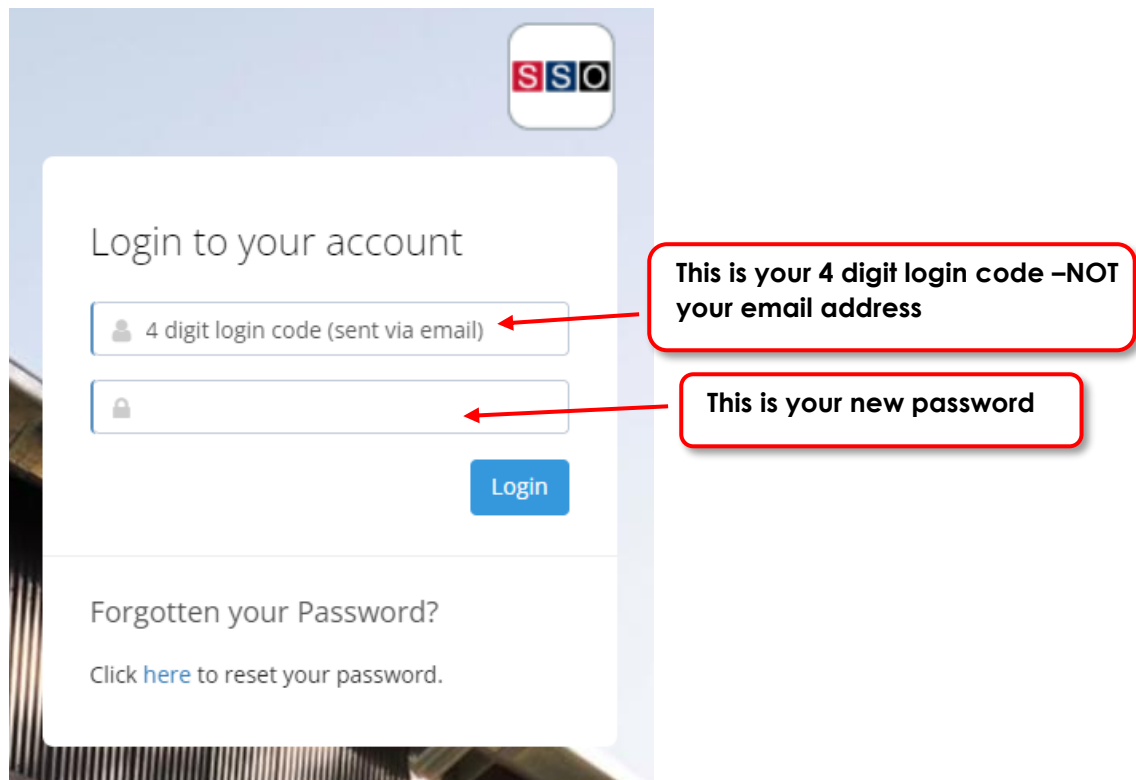

New Password

Re-type New Password

Reset Change Password

Change and confirm your new password

6. Refresh your screen and return to the Selected home page and log into your Selected account using your student number and new password.

The image shows a login interface for a system. At the top right is a logo with the letters 'SSO' in a stylized font. The main heading is 'Login to your account'. Below this are two input fields. The first field is labeled '4 digit login code (sent via email)' and has a red arrow pointing to it from a red-bordered box containing the text 'This is your 4 digit login code –NOT your email address'. The second field is labeled with a lock icon and has a red arrow pointing to it from a red-bordered box containing the text 'This is your new password'. Below the input fields is a blue 'Login' button. At the bottom of the form, there is a link for 'Forgotten your Password?' with the text 'Click [here](#) to reset your password.'

7. Follow the prompts to select your option courses for 2027.

If you are still having problems, please contact Administration.
